THE GREGORY BONNIFIELD DESCENDANTS.

FOREWORD.

1151663

For several years I have been assembling the names of the descendants of Gregory Bonnifield and wife, Sarah Henley (?), who finally settled in Randolph (now Tucker) County, (West) Virginia. This task, an arduous one with many discouragements, is now presented in the most complete form possible under the circumstances.

Over 5000 names of descendants have been collected. It is my guess (not even an estimate) that at least 1500 others are not included. Many of the "children" disappeared in the latter part of the eighteenth and the early part of the nineteenth centuries and no further traces of them are known.

In regard to the accuracy of the list, please remember that all information had to be collected by correspondence. In hundreds of cases no direct replies were received and information had to be obtained from other sources. Very often the data were given from memory, which is always subject to error. Many of the dates and some names have been changed three or four times as later information would come in.

The magnitude of the task, the difficulties in preparing the list, and the chances of error are great. There are over 5,000 names of descendants. Each name has a separate number and from one to three dates: birth, marriage, and death. Thousands of names are given as Children and are repeated as parents; every marriage adds an additional name of husband or wife. This makes about 8,500 names and about 20,000 separate names, numbers, and dates. Most of the work has been copied two or three times and new numbers given as the lists expanded. So, if you find errors, (and there are many), please consider the chances for making mistakes.

Effort was made to list the children in the order of their ages. Occasionally after the material was typed, additional information would show the first arrangement was not correct; but to change the order would have necessitated the changing of every number following; so the original order was retained. Where the day, month, and year are given, they are usually authentic; while if only the year, or often no date at all is given, the information may not be accurate.

No effort was made to give biographies except for the earliest generations; to do otherwise would make a book too large, too expensive, too difficult.

Gregory Bonnifield is given the arbitrary Roman number (XVI); his children are (XVII); grandchildren, (XVIII); and so on. Every person in a generation is thus given the same Roman numeral but is given an Arabic number designating his place in the generation.

After some names will be found double or hyphenated number as (XIX 478-3). This means that after the regular numbers were allotted, new names came in and extra numbers had to be assigned. Many names have ****'s before them, indicating nothing is known about them.

For those unaccustomed to the method of arrangement of the names, these suggestions are made. Remember all children of the same generation have the same Roman numeral but each child has also an individual number in figures. This same individual number is used if the name of the child is repeated as that of a parent.

Suppose you wish to find a particular name as Samuel Hupp White. Turn in the Family Index to the name White. In this case you will find the White families in generations XIX, XX, XXI, XXII, XXIII, XXIV. Look in the body of the book among the White families under the generations above until you find the name, number (XX 582), on page 33. His parent is William White (XIX 178). To find William White as a child, (not as a parent), turn towards the front of the book among the XIX children. It will be on page 17-E. His parent is Dorcas (Maddox) White (XVIII 40). To find her as a child, turn again towards the front of the book among the XVIII children and find her on page 16. Thus you can go back to John Minear (XVI).

You found Samuel Hupp White (XX 582) on page 33, as a child. To find him as a parent turn towards the back of the book among the XX parents and find him on page 68. His children are listed as XXI.

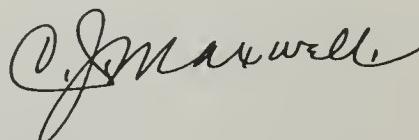

If you knew Samuel Hupp White married a Miss Snyder it would be easy to find his number by using the In-law Index and finding the Snyder marriages.

After the biographies is some material about other branches of the Bonnifields. This was inserted to keep the Gregory Bonnifield branch from being confused with other Bonnifields not definitely known to be connected with those of this book.

While no promise is made, if enough additional information comes in, it is possible that a supplement will be issued containing the new data. It will be published if I am financially, physically and mentally able to do this. At least a list will be made of all additions and will be available to those interested. I shall be glad to get any corrections or additions.

My obligations to those who have assisted are great. It is impossible to list all who have aided but to all my thanks are expressed.

THE GREGORY BONNIFIELD FAMILY.

There is a very persistent tradition of the European origin of the Bonnifields. They were said to have been Huguenots in Normandy, France, but, on account of religious persecution they migrated, in the seventeenth century to England and Scotland. This tradition appeared in written form about a hundred years ago in the Autobiography of Abraham Bonnifield (XIX 30) who received the information from his father.

The Bonnifields came to Maryland at an early date. In the following account where possible the sources of information are given but it is hard to distinguish between documentary evidence and family tradition.

In the published Archives of Maryland, Volume one, year 1658, pages 226 and following is an account of the suit of Christine Bonnifield against Robert Holt, (son of her husband), for property. It seems that she was married to his father while he was still undivorced from his first wife. A minister had (unlawfully) given Holt a decree of divorce and performed the marriage ceremony between them. Holt had given Christine (his second wife) an interest in his estate as a gift; soon after this he died. His son had brought suit for the property. Christine in her suit said she had brought, before her marriage, a "considerable estate" into Maryland. This suit was settled in 1661. Earlier than this, (in October 1654), Christine sued Martin Kirke for slander and threats. In the same suit, it is indicated that Christine was 46 years old in 1654. These suits were in Prince George County.

There is a tradition that the Bonnifields first settled in the Carolinas and that in attempting to return to Europe a storm drove them to the shores of Maryland where they settled in St. Mary's County. In the D. A. R. Magazine of December, 1927 is an account of a Declaration of Independence in South Carolina in 1775 or 1776 signed by Watson Bonnifield and many others.

On April 13, 1722, "James Bonifant, carpenter," Prince George County, Md., sold land to Thomas Wilcoxson. In 1757, James Bonnifield, strayed a horse in the same county. In May, 1740 Priscilla Bonnifield, widow, administrator of James Bonnifield, gave bond for administration. There are several other and later records in Prince George County, all of which indicate the early settlement of the Bonnifields in Maryland.

Spelling of the Name.

The name has several spellings: Bonifant, Bonifante, Bonifaunte, Bonnifield, Bonfield, Bonafield. One reason is that the persons often were unable to write and more often the clerks spelled the name according to sound.

In the 1776 Maryland Census the name of Gregory is spelled Bonnifield. His will recorded in Culpepper County, Virginia spells it Bonfield; but he signed the will with his mark. In the official records of Randolph County, (W), Va., Samuel, the son of Gregory signed his name with two "n's" in signing official papers as sheriff; and also in his application for a pension. Two other sons of Gregory, William and Arnold, signed the name as Bonnifield.

The Maryland 1776 Census shows two large families. In Frederick County was Gregory Bonnifield with the large family mentioned later. The persons named in this publication are descended from Gregory. In Prince George County is found the family of Samuel Bonifant, age 32, his wife Sarah, age 36; seven "males" ages 15, 13, 11, 7, 4, 3, 1 and one "female" age 5. There were also several slaves. Other Bonifants are in the Census but no large families; several marriages are recorded.

From the D. A. R. records and application it seems that Samuel Bonifant and his brother George (?) James, Washington and Charles served in the Revolution. This Samuel married Sarah Townsend, served under Lafayette, and was killed in the Battle of Germantown, Oct. 4, 1777.

From Portraits and Biographical Sketches of an early Congress is found: "George Bonifant was son of John and grandson of Samuel. Samuel was the son of a French Huguenot who fled from France and was among the first settlers of St. Mary's County."

Gregory Bonnifield (XVI 1)

Gregory Bonnifield was born in 1726; the place of birth not known but likely in St. Mary's or Prince George County, Md. He was married about 1750 to Sarah Henley (?). Where he spent his early years is not known. On January 18, 1765, in Frederick County he bought from John George and wife 100 acres called The Addition to the Remains, and 29 acres from a tract called Scythe. (Liber J, page 102, Frederick County, Md.) This same land was sold on Dec. 9, 1767, to James Ray by "Gregory Bonnifield, planter." (Liber 1, folio 123; same county.) Gregory was in Frederick County in the 1776 Maryland Census; from which census was obtained the record of his age and that of his wife and children, except Mary and Samuel. His wife was born in 1728.

How much longer he stayed in Frederick County is not known. The next heard of him was in Shenandoah County, Virginia, and the only documentary record is his will in Culpepper County, Va. This will (see below) was written in Shenandoah County on Nov. 1, 1792, though recorded in Culpepper County, Jan. 20, 1794. Here a word of explanation is needed. In early history Shenandoah and Culpepper counties were adjoining. County lines were not very accurate. Later Warren County was formed from Shenandoah and Rappahannock from Culpepper, making Warren and Rappahannock adjoining on the old line between Shenandoah and Culpepper. In the will of Gregory he gave most of his land to his sons William and Arnold with a dower interest to his wife and three unmarried daughters. In the court records of Warren county, Sept. 5, 1848 it is found that Thomas Jackson Bonnifield (XVIII 12) deeded to James W. Day (XXIII 11) his interest in his inheritance from Arnold Bonnifield (XVII 5) including the dower rights of his mother, Margaret (Moss) Bonnifield, wife of Arnold Bonnifield (XVII 2). This deed states the land was in Warren and Rappahannock Counties, evidently a county line tract, and explains why the will of Gregory was written in Shenandoah County and probated in Culpepper County. (Deed Book D, page 127, Warren County Va.) It is interesting to see how Gregory divided his property. His wife and unmarried daughters had only a dower interest in 48 acres and had it only as long as they remained unmarried.

The order of the sketches of the children of Gregory indicates the order of their ages. Most of the information came from the Maryland Census, 1776. This is not the same order as on pages 15 and 16 where the numbers had been assigned before all the dates were known.

Recorded in Will Book "D" Page 101, Culpepper County, Virginia.

Matthew Maddox (XVIII 43) son of Matthew Maddox and Rachel Bonnifield (XVII 8) wrote a letter in June 1848 in which he gave much information about the Bonnifields, which he said he obtained from his uncle Samuel Bonnifield (XVII 1). He wrote: "These Bonnifields were a dark people; black, straight hair; large bridged noses; generally tall, large, stout men to lift but not very active; peaceable, good citizens and very industrious farmers."

Children of Gregory Bonnifield (XVI 1)

Samuel Bonnifield (XVII 1)

Samuel Bonnifield (XVII 1), oldest son of Gregory Bonnifield, was born in Prince George County, Md., April 11, 1752 as shown by his pension application. He seems to have been quite a wanderer. He is not found in the Maryland Census of 1776. According to his pension application he started from Culpepper County, Virginia when he joined the army of General Andrew Lewis to make an expedition to Ohio in 1774. It seems from this that he was in Virginia before his father, for Gregory was in Frederick County, Md., in 1776. From Culpepper county he went to Lewisburg, Greenbrier County, (now) West Virginia. From there the company marched to the mouth of the Kanawha River and fought in the battle of Point Pleasant, October 10, 1774. After this battle the army went on across the Ohio River and again defeated the Indians. Samuel remained in Ohio to care for the many wounded until next spring when he went back to Greenbrier, suffering many hardships on the way.

Not long after this he was in Gloucester County, Virginia, making salt. He was drafted as a minute man and served some time guarding the coast of Chesapeake Bay and the Ware and York Rivers. He started to the battle of Yorktown but was detailed again to make salt for the army.

Again he is lost track of. He seems to have been in Fauquier County, Virginia. It is certain that he went to Hampshire County, now West Virginia, for on November 6, 1778, he had 200 acres of land surveyed there. This land was on a drain of Patterson's Creek, on a drain of Meadow Run and is now in Mineral County. He married Dorcas James in Hampshire County about 1786 and lived in that vicinity several years. His wife died October, 1823, and is buried on Limestone, Tucker County, on land now owned by a descendant, George Ernest Adams.

Samuel had several law suits in Hampshire County. In the Minute Book of 1788-1791 are found: Samuel Bonnifield against George Miller; Bonnifield won; Nathaniel McGruder against Samuel Bonnifield; Samuel Bonnifield against William Howell with an injunction against George Hill; Andrew Woodford against Samuel Bonnifield; judgement against Bonnifield.

His son Rhodham and likely other children were born in Hampshire County. Again he disappears from documentary record, but in the meantime he had gone to the Horse Shoe on Cheat River in (now) Tucker County, where he lived several years. Here his son Arnold was born. This land was in dispute between Samuel Bonnifield and James Parsons. There was a suit over the terms of the contract or lease. Bonnifield and Parsons each charged the other with perjury as to the terms of the agreement. Both were acquitted. The indictment against Bonnifield is an interesting document. "Samuel Bonnifield, not having the fear of God before his eyes but being moved and seduced by the instigations of the devil and wickedly and contriving and intending to cause the said James Parsons unjustly to be convicted.....Samuel Bonnifield did commit perjury to the great displeasure of Almighty God." In the civil suit Parsons "distressed" the following property of Bonnifield: 2 beds and furniture, 1 chest and contents, 1 looking glass, 1 bedstead, 1 bed and furniture, 1 table 1 spinning wheel, 1 pot, 1 dutch oven, 6 plates, 12 tin cups, 1 large dish, 3 basins, sundry wooden vessels, 2 "cheers", 1 bench, 6 stools, 1 "cag", 1 chair, 16 head of cattle, 1 rifle gun, 130 hogs, 10 sheep, 12 oats stacks, 3 rye stacks, 3 wheat stacks, 6 horses. (This was probably every article of household furniture and property). Bonnifield gave bond for 100 pounds as security for the goods in April, 1802. The papers of this suit are now in the Library of the State University in Morgantown, W. Va.

Bonnifield lost the suit and soon afterwards moved to Limestone Mountain where he lived several years on the land of Mr. Hoy of Maryland. Still later, about 1830, he moved to Horse Shoe Run in (now) Tucker county where he lived with his son Arnold Bonnifield (XVIII 7), until his death in 1848. They lived in a large two story double log house. The first part was built by Jonathan Graham (Grimes). The second half was built by Arnold Bonnifield and the two houses were connected with boards making a third room on each floor. A large fireplace was at each end. The house was later used as a stable and was torn down about 1915.

In the early history of Virginia the sheriffs were elected from the various Justices of the Peace. Samuel Bonnifield was elected Justice the first time in 1795 and served until his death in 1848, except for the four terms of two years each when he was elected sheriff, the last time being in 1838 when he was 86 years old.

Application and Petition of Samuel Bonnifield for a Pension.

State of Virginia
Randolph County, ss

Personally appeared before me the subscriber an acting justice of the peace in and for the county of Randolph and state of Virginia on the fifth day of November, 1833, Samuel Bonnifield, Esq., (one of the acting justices of the county aforesaid) a resident of said county of Randolph and state of Virginia, aged 83 years, who first being duly sworn according to law doth on his oath make the following declaration in order to obtain the benefit of the Act of Congress, passed the 7th day of June, 1832. That he entered the service of the United States under the following named officers and served as herein after stated. In the year 1778 this affiant was mustered in a company of militia called and styled the minute men in the county of Gloucester, in the state of Virginia and commanded by Captain Richard Billups. It was the duty of this company to guard the shores of the Chesapeake Bay and York River for many miles. Upon

this service he was often engaged both night and day as the British squardon under Lord Dunmore and others often infested our neighborhood for the purpose of plunder and stealing our negroes. Upon one occasion I recollect of intercepting a negro man belonging to Mr. Winding Kenner. I caught him in the night, near a boat belonging to Lord Dunmore's fleet and on the next day delivered him to his master.

I also recollect of being called to oppose the British at the head of Ware River, opposite Old Point Comfort but on my arrival found that the British had driven our militia back and had possessed themselves of one schooner and two briggs loaded with tobacco. This affiant was often engaged in the services of guarding the aforesaid coasts but does not recollect any material transaction other than what has been mentioned until the siege of Yorktown when the affiant was again called on and he marched to the scene of action and remained some time with the army until the affiant was ordered to go to manufacturing salt for the use of the army in which business he continued until the capture or surrender of Cornwallis. This affiant did not at any time receive one cent for his services or for the salt manufactured by him as he had no contract for the salt and was engaged purely for the use of the army. After the raising of the siege of York affiant was discharged by his captain having served three years in the service as a minute man (This affiant states that he was at the Battle of Point Pleasant at the mouth of the Great Kanawha under the command led by Colonel Lewis and was a witness to that bloody conflict and did personally suffer many privations, such as hunger and cold and fatigue, being harassed by the Indians. He also enlisted after his first term expired and remained as a guard at the Fort until the next February.)

He hereby relinquishes all claim whatsoever to a pension or annuity except the present and he declares that his name is not on the pension roll of any agency of any state.

Sworn and subscribed to this day and year aforesaid

Samuel Bonnifield.

(Following are answers to questions. Questions not given.)

He hereby relinquished all claim whatsoever to a pension or annuity except the present and declares that his name is not on the pension roll of this agency of any state.

I was born in Prince George county, State of Maryland in the year 1732.

I have none.

I was living in Gloucester county, state of Virginia. I have lived in Hampshire and from Hampshire I moved to Randolph county where I now live.

I only received a verbal discharge.

(The above line was written but a line drawn through it.)

I was enrolled as a minute man and ordered to be always in readiness.

As I was confined principally to my county I did not form any acquaintance with the officers of the regular army.

I did not receive any written discharge.

Mr. James Long and John Long will testify.

Subscribed and sworn to this day and year above written.

(Signed) Samuel Bonnifield

We James Long and John Long, residents of the county of Randolph and state of Virginia do hereby certify that we are well acquainted with Samuel Bonnifield who has subscribed and sworn to the above declaration; that we believe him to be 83 years of age, that he is reputed and believed in the neighborhood where he resides to have been a soldier of the Revolution and we concur in that opinion.

Subscribed and sworn to this 5th day of November, 1833.

John Long
James Long.

And I the said justice of the peace do hereby declare my opinion that after the investigation of the whole matter and after putting the interrogations prescribed by the War Department that the above named applicant was a Revolutionary soldier and served as he states and that I the Justice further certify that it appears to me that John Long and James Long who have just signed the preceding certificates are creditable persons and that their statement is entitled to credit and that I the said Justice further certify that there is no clergyman residing in the neighborhood of the above named applicant and that he from bodily infirmity is not able to travel to the courthouse of his said county of Randolph from which he resides 25 miles and I the said Justice further certify that the foregoing contains the original proceedings of myself in the matter of the application of Samuel Bonnifield. In testimony whereof I have hereunto set my hand and seal this 5th day of November, 1833.

John Moore, J. P. Seal

Virginia, Randolph County, ss

I Archibald Earle, Clerk of the county court aforesaid do hereby certify that John Moore, Esq., before whom the written declaration was made and signed the above certificate was at the time of his signing the same and now is a Justice of the peace of said county duly commissioned and qualified and that his signature above written is genuine. In testimony whereof I have hereunto set my hand and seal of office, this 10th day of March, 1834.

A. Earle, Clk. R. C.

To the Honorable The Senate and House of Representatives in Congress assembled:

Your petitioner humbly begs leave to represent to your honorable bodies that in the year 1778 in consequence of the great scarcity of salt in the country he removed to the county of Gloucester in the state of Virginia for the purpose of manufacturing that article; that as soon as he arrived there he was enrolled into a company of militia commanded by Captain Richard Billups; this company was styled the minute men whose duty was to be always in readiness to march at a minute's warning (at this time the British squadron lay in the Chesapeake Bay, the crew thereof often making incursions into the country for the purpose of plundering the inhabitants and inducing the negroes to run away from their masters and join them). In this service your petitioner was compelled to spend much of his time from the year 1778 until 1783, both night and day often marching whole nights from place to place to watch the movements of the British boats who were sometimes in York River, sometimes in the Bay and sometimes in Ware River. Upon one occasion when your petitioner was ordered to Ware River he arrived soon after the British had succeeded in driving away the troops who had been guarding a schooner and two brigs loaded with tobacco which had been run up the river to be kept out of the way of the enemy. These vessels were taken off by the British at that time. Your petitioner was fortunate enough upon one of those excursions to apprehend a negro belonging to a Mr. Wineding Kenner. This negro was making his way to a boat belonging to the fleet of Lord Dunmore then lying in the Bay near to the place where your petitioner apprehended said negro. In this kind of service your petitioner was so constantly engaged that he could do but little at the business of manufacturing salt and what little he did manufacture was often taken for the use of the United States Army. In the year of 1781 your petitioner together with the company commanded by said captain was ordered to march to join the main army at Yorktown, then engaged in besieging Lord Cornwallis. That at that time salt was very scarce in the army and General Washington learning that your petitioner had been engaged and was skilled in the manufacturing of that article gave orders that your petitioner be detailed for that purpose and was sent to his.....and did manufacture salt for the use of the army until the surrender of Lord Cornwallis. For all of which services and salt used by the army your petitioner has not to this day received one cent. In this company your petitioner served three years and although he cannot state the precise time he was actually engaged on duty yet feels confident that he was more than two-thirds of the time in the service of his country. Your petitioner has had his claim before the War Department and was informed by that department that his services are not provided for by the act of Congress passed June 7, 1832. Your petitioner is of the opinion that his services approximated to that of an Indian spy with the difference that the Indian spies received in hand five shillings per day when their services were rendered. And your petitioner got nothing then nor has he ever received one cent to the present day. Your petitioner being now old and infirm in

body and much reduced in circumstances prays your honorable body to pass a law to place him upon the pension list and to give him such further aid as to your honorable body shall seem right and your petitioner will ever pray.

Samuel Bonnifield.

Weston, Lewis County, April 1834.

Dear Sir:

I employed my friend, Col. Camp to lay my declaration for a pension before the War Department. He has shown me the objection of that department. It is now out of my power to bring myself within the strict rules prescribed by the Department as my services were not that of regular Line except that tour at the taking of Lord Cornwallis and the precise length of that tour I do not recollect as I was ordered to the manufacturing of salt for the use of the army. It is now out of my power at my advanced age to procure any other testimony of my services than that exhibited in my declaration which I enclose to you with my petition. I hope you will use all honorable means to have me placed on the pension roll. You are sufficiently acquainted with me to know that unless I thought myself entitled to a pension I would not ask one. Your attention will be thankfully received by your friend and humble servant.

(Signed) Yours with respect,
Samuel Bonnifield.

N. B. Please direct to Col. Camp.

Declaration.

Virginia, Randolph county, ss,

On this the second day of December one thousand eight hundred and forty six personally appeared before me the undersigned Justice of the peace in and for the county of Randolph and state of Virginia, Samuel Bonnifield, a resident of Horse Shoe Run in the county and state aforesaid, aged 94 years the 11th of April 1846 who being first duly sworn according to law doth on his oath make the following declaration in order to obtain the benefit of an act of congress passed June 7, 1832 and other acts for the relief of the soldiers of the Revolution.

That the said Samuel Bonnifield has resided in the county of Randolph for fifty odd years and being of naturally strong constitution was able by industry and economy to obtain sufficient of the necessities to satisfy the wants of nature until age with its attendants brought him to acknowledge what he has this day acknowledged from necessity that he can no longer supply the wants by individual exertion and that those laws enacted by wise rulers which he until recently condemned are calculated in their consequence to buoy up the sinking spirits of the surviving soldiers of the Revolution.

That the said Declarant was born in the county of Prince George in the State of Maryland on the 11th day of April 1752 and he has no knowledge of there being any record of his age preserved except on the tables of memory, which in your declarant's case is considerably impaired by age.

That the said declarant was residing in the county of Culpepper and State of Virginia when he first enlisted in the services of his country and since that time has principally resided in the county of Randolph, Virginia.

That the "Little Meadows" in the county of Greenbrier was the point of Rendezous in his first enlistment and they proceeded from hence to Point Pleasant at the mouth of the Kanahawa River where the said declarant was engaged in the sanguinary battle of the 10th of October. That he recollects the name of Col. Fields who was killed in the engagement and a number of other inferior officers who survived the battle among whom he remembers Capt. William Russell, Capt. George Slaughter, Lieut. Shelby and Roberts.

That he the said declarant is under the impression he received a discharge from the service but does not recollect by whom it was given, or what has become of it. That he thinks that during his enlistment which was his first he was out eighteen months at least, yet has no memorandum to which he can refer that he can ascertain to a certainty; that he enlisted under Capt. George Slaughter. That among his companions as private he can mention the names of Gordon (German) and William Flanagan who with the rest of his companions at the battle of Point

Pleasant so far as his information extends are all dead.

This declarant after his first enlistment again entered the service of the United States as a private sometime during the year 1780 and was in the engagement under one Capt. Billips or Phillips, when Cornwallis surrendered in October, 1781 and recollects the names of some of the field officers but has a very indistinct recollection from the lapse of time. Yet he cannot state the exact time when he entered the service or when he was discharged but thinks he left the service about the close of the war and was out from twelve to eighteen months.

This declarant knows of no person whose testimony he can procure who can testify to his service as aforesaid and that he has no documentary evidence in his possession establishing the fact but from neglect upon his part the last one of his comrades has departed this life and he would refer the department to the accompanying testimony of James Parsons and Henry W. Smith, as to his character for veracity and their belief of his services as a soldier of the Revolution to whom he has been long known and who resides in his neighborhood.

That the said Samuel Bonnifield relinquished his every claim whatsoever to a pension or annuity except the present and declares that his name is not on the pension roll of the agency of any state.

Given under my hand the day and year aforesaid.

Job Parsons, J. P.

The pension was not granted because his service did not come within the provisions of the law at that time.

The above proof is accepted by the Sons of the American Revolution for admission but the Daughters of the American Revolution do not accept it.

Barsheba Bonnifield 2 (XVII 2)

Barsheba, second child of Gregory Bonnifield and twin sister to Rachel Bonnifield was born in Frederick (or Prince George county,) Maryland in 1751. She was married to W. Masters (or Marsters), and moved to the Carolinas. Nothing further is known about them.

Rachel Bonnifield (XVII 3)

Rachel Bonnifield (XVII 3) was born (likely) in Frederick County, Maryland in 1753. Her tombstone says she died Jan. 5, 1826 "in the 73 year of her age." Very little is known of her early life. She married Matthew Maddox about 1774. Matthew Maddox, son of John Maddox, was born in St. Mary's County, Maryland. During the Revolutionary War he went to Virginia and (apparently) lived near Sandy Hook. He was a private in the Company of Captain Oldham under General Greene, and fought in nine battles. He was severely wounded in the battle of Camden, N. C., being shot in the body and legs. He was left for dead on the battlefield four days and was found by those burying the dead.

See page 13.

Matthew Maddox was born in 1752 and died Jan. 1, 1833. He was granted a pension in 1820. His father was John, grandfather Wm. James. This is one of the oldest families in Maryland.

Elizabeth Bonnifield (XVII 4)

Elizabeth Bonnifield (XVII 4) was born in 1756; married Charles Begelon (Beggarly). No further record.

Martha Bonnifield (XVII 5)

Martha (Pattie) Bonnifield (XVII 5) born in 1760; married William Triplett. She died in Harrison County, (now Barbour) about 1840. After her death her husband, William Triplett moved to the home of his brother-in-law, Samuel Bonnifield (XVII 1) on Horse Shoe Run, (now) Tucker county. He brought some slaves with him; lived there until his death and was buried in the old Bonnifield graveyard, 3½ miles from St. George. There were no children.

Sarah Bonnifield (XVII 6)

Sarah Bonnifield (XVII 6) was born in 1763, very likely in Frederick County, Maryland.

She married Henry Hand and moved to New Madrid, likely in Missouri. Nothing further is known about them.

Henry Bonnifield (XVII 7)

Henry Bonnifield (XVII 7) was born in 1776 in Frederick County, Md. It is reported he went to Louisiana. Nothing further is known about him.

Arnold Bonnifield (XVII 8)

Arnold Bonnifield (XVII 8) was born Aug. 26, 1768 in Frederick County, Md. He evidently moved with his father Gregory to Culpepper or Shenandoah County, Va. He married Margaret Moss about 1795, for his oldest child was born in 1796. The same question comes up about his residence as came up about that of his father. Evidently the land inherited from his father was on the county line between what is now Warren and Rappahannock counties. He received 100 acres at the death of his father in 1793 or 1794. In February 1848 Arnold died without any will. In settling the estate, his son, Thomas Jackson Bonnifield (XVIII 12) of Wood County, (West) Virginia deeded to his brother-in-law James W. Day (XVIII 11) his interest in the Arnold Bonnifield land lying in (now) Warren and Rappahannock counties. This deed was made on September 8, 1848. The same deed shows that Margaret (Moss) Bonnifield (XVII 2) his mother, was still living in 1848. This deed is found in Warren County, Va., Deed Book D, page 127. Arnold's place of his burial is not known, but probably on his own farm.

Major William Bonnifield (XVII 9)

Major William Bonnifield (XVII 9) was born Aug. 28, 1769 (most likely) in Frederick County, Md. He married Elizabeth Wilson, Jan. 26, 1793, in Culpepper County, Va. (She died in 1844, aged 75.) In 1804 he moved from Culpepper County to Hopewell Township, near Zanesville, Ohio., where he traded "Scrip" for land. This land (at least until recently) was owned by his descendants. He died Feb. 28, 1855, and was buried in the Bonnifield graveyard a few miles North of Hopewell, once known as Whittle Point. An old rifle given to him by his father, was, a few years ago, still in the hands of the family.

Final settlement of estate was made Feb. 23, 1859, by payment of about fifty dollars each to: William Bonifield (XVIII 30), Sarah Bonifield (XVIII 23), Mary Bonifield (XVIII 22) Samuel P. Rush (XVIII 27), Arnold E. Bonnifield (XVIII 28), Elizabeth Bonnifield (XVIII 24), A. T. & D. Hankinson (XVIII 25), Ann Varner (XVIII 25), Thomas M. Burgess (XVIII 31), Samuel Bonifield (XVIII 21), Henry Bonifield (XVIII 29).

Dorcus Bonnifield (XVII 10)

Dorcus Bonnifield (XVII 10) was born in 1773 (most likely) in Frederick County Maryland. She married Edward Tracewell about 1798. Their home was in (now) Wood County, W. Va., and many descendants live there.

Mary Bonnifield (XVII 11)

The only reference to Mary Bonnifield (XVII 11) is in a letter of Matthew Maddox (XVIII 43) written in 1848. He states that she married Thomas Benton. As to her place in the order of children it is possible she may have been the oldest. In his list of children he names her the first of the daughters just before the name of his own mother. Her name is not in the 1776 Maryland Census but she may have been married and not living at the home of her father. That is very likely. There is no further information about her.

Revolutionary Services.

Descendants of Samuel Bonnifield (XVII 1) may join the Sons of the American Revolution through his services. (The Daughters do not accept the proof.) Descendants of Rhodham Bonnifield (XVIII 3) and Nancy Minear and of Arnold Bonnifield (XVIII 7) and Elizabeth Minear may join the Sons or Daughters of the American Revolution through the services of David Minear who was granted pension number 23,565, on Feb. 28, 1834. Descendants of Rachel Bonnifield (XVII 8) and Matthew Maddox may join the Sons or Daughters through the services of Matthew Maddox who was granted a pension in 1820.

Other Bonnifields

A rather large group of Bonnifields are in and around Decatur and Danville, Illinois, that are unable to be placed. The first known one was William H. Bonnifield, born in Kentucky, Nov. 11, 1822; died in Hendricks County, Indiana, August 1872. He married Jane Jelf. His children are: Marene T. Bonnifield who married Malinda_____, and afterwards married Julia Priest; Frank Bonnifield born; died Dec. 11, 1909; Cassie Bonnifield; Mary Bonnifield; Alice Bonnifield. Little is known about the later generations.

It will be a favor if any one can furnish more information about them.

Rachel Bonnifield (XVII 8) and Matthew Maddox both are buried in the Maddox Cemetery located in Wood County, West Virginia, on the farm of Okey Parsons (1949) about five miles south of Parkersburg, near Route 40. In the same cemetery are their son Thomas Maddox (XVIII 41, both his wives and some of his children; the inscriptions are now barely decipherable. It is said that his son Arnold (XVIII 46) and his daughter Dorcas (XVIII 40) are buried there. It is understood that his son Roswell (XVIII 44) and his wife and another son, William (XVIII), are in the same cemetery.

After the Revolutionary War Matthew had a tobacco plantation on Rock Creek, Montgomery County, Md., but he later moved near Clarksburg, W.Va., and still later to Wood County.

(Owing to inter-marriages in the early generations of Arnold Bonifield (XVII 6) and William Bonifield (XVII 9) and of Dorcas Bonnifield (XVII 10) and Rachel Bonnifield (XVII 3) many generations later than generation XX could be credited either to Arnold or William or to Dorcas or Rachel, thus increasing or decreasing the total descendants given above for those four but the final total 5085 would be the same.)

Families and "In-Laws."

The following two lists were the hardest of all to compile. They are more suggestive than definitive. To go over several thousand names and check for maiden names and childless marriages are both very difficult. What is given will be helpful. Corrections and additions will be welcomed.

Index of "In-Laws."

Supplementary Indexes.

These supplementary Indexes contain the additional and corrected names and dates. Where a capital S is before the Roman numeral as S-XIX the reference is to the supplement beginning on page 172. But some names with the "S" are found also in the main body of the book, especially if it is a correction, so both regular and supplementary indexes should be consulted.
